# AIR FREIGHT SOLUTIONS

- mine sites and remote locations
- urgent freight transfers
- dangerous and industry specific goods
- emergency support team and technicians

Brooks Airways understands the importance of getting your sample back to head office or that part that you urgently require on site. Our aircraft are available to support your urgent Quickshot requests. Your freight solutions are streamlined if you choose to utilise one of our Lear 35As or B200 Super King Airs.

We offer the flexibility of reconfigurable B200 turboprop and Lear 35A Jets which can each accommodate up to 1,000kg and 1,450kg of freight respectively (size and range dependent).

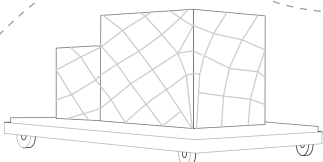

Our Learjet can fly non-stop to any destination in Australia. For palletised loads and larger items, we have King Air's equipped with Cargo doors.

Our aircraft are available on call 24 hours to meet your urgent freight requirements.

- **REMOTE AIRSTRIP CAPABILITY** Capable of landing in remote locations inaccessible to commercial airlines.
- **URGENT FREIGHT TRANSFERS** Flying freight on an urgent basis (AOG) through out Australia and International.
- **DANGEROUS GOODS** Qualified to safely transfer dangerous goods to any location in Australia.
- **INDUSTRY SPECIFIC** Specialising in meeting the needs of the oil, gas and resources sectors.
